

### Participant List

<b>Name</b>		<b>Institution</b>
Michael	Allen	Demand, Lancaster University
Oliver	Bates	School of Computing and Communications, Lancaster University
Julian	Burkinshaw	Institute for Transport Studies, University of Leeds
Mitchell	Curtis	Technologies for Sustainable Built Environments Centre (TSBE), University of Reading
Simon	Elam	UCL Energy Institute
Katherine	Ellsworth-Krebs	Department of Geography & Sustainable Development, St Andrews
Nicolette	Fox	Sussex Energy Group, SPRU
Joe	Gillett	Demand, Lancaster University
Richard	Hanna	School of Construction Management and Engineering, University of Reading
Daniel	Herrera	IDEAS Research Institute Faculty of Design and Technology, Aberdeen
Claire	Hoolohan	Tyndall Centre for Climate Change, University of Manchester
Charlotte Louise	Jensen	Department of Development and Planning, Aalborg University Copenhagen
Matthew	Lipson	Energy Technologies Institute, Birmingham
Carolynne	Lord	Demand, Lancaster University
Rachel	Macrorie	School of Environmental Sciences, University of East Anglia
Erica	Marshall	Low Carbon Technologies DTC, Engineering Dept, University of Leeds
Ann-Morla	Meyer	Microenergy Systems, Technische Universität of Berlin
Daniel	Murrant	School of Civil Engineering, University of Birmingham

Eoin	O'Broin	CIREC (The international research center on environment and development), France
Ida Nilstad	Pettersen	Department of Product Design, Norwegian University of Science and Technology
Christian	Placencia-Velasquez	Vermont Energy Investment Corporation, Washington DC
Mary	Pothitou	School of Construction Management and Engineering, University of Reading
Rachel	Preston	Department of Sociology, Lancaster University
Paul Graham	Raven	Department of Civil and Structural Engineering, The University of Sheffield
Maryam	Rezaei	Institute for Resources, Environment & Sustainability, University of British Columbia
Abhigyan	Singh	Faculty of Industrial Design, Delft University of Technology
Mattijs	Smits	Environmental Policy Group, Wageningen University
Jonas	van der Straeten	Microenergy Systems, Technische Universität of Berlin
Gregoire	Wallenborn	Centre for Studies on Sustainable Development, IGEAT, Université Libre de Bruxelles

### **Organisers/speakers**

Anna	Carlsson-Hyslop	Sustainable Consumption Institute, University of Manchester
Heather	Chappells	St Mary's University, Halifax, Nova Scotia
Mike	Colechin	Energy Technologies Institute, Loughborough
Conor	Harrison	Department of Geography, University of South Carolina
Lenneke	Kuijer	Geography Department, University of Sheffield
Greg	Marsden	Institute for Transport Studies, University of Leeds
Ted	Schatzki	University of Kentucky
Elizabeth	Shove	Demand, Lancaster University
Nicola	Spurling	Demand, Lancaster University
Michael	Stauffacher	Transdisciplinarity Lab of the Department of Environmental Systems Science, ETH Zürich
Gordon	Walker	Demand, Lancaster University
